

The SA Foundation's Quarterly Update

"I was a stranger without any identifying marks. I was in need of goodness, that kind of goodness that goes by the name of mercy."
- Madeleine Delbrel -

It has been a busy time at the SA Foundation!

Since our last newsletter, much has gone on in the fight against sexual exploitation and trafficking and we thank God for His ongoing guidance and blessings!

Our website has been redesigned! Thanks to a local company in Calgary, AB the Foundation's website has received a new look! We hope you find this site easier to navigate with enough information to equip you and those you know to continue supporting or join the fight against the sexual exploitation and trafficking of young children, youth and women!

Check us out at: www.safoundation.com and let us know what you think!

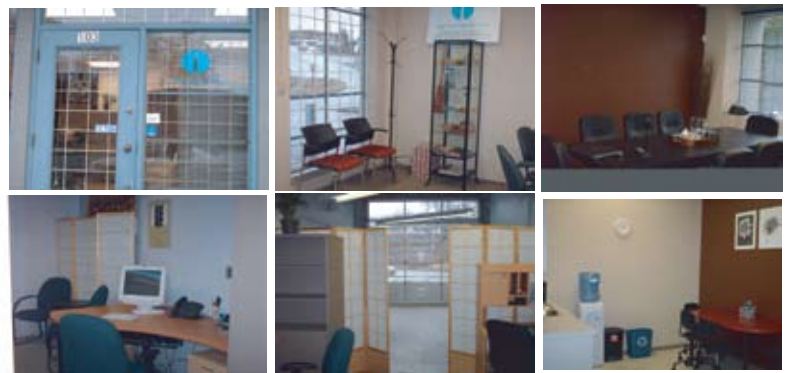

The Spring GW order is in! That's right! Our newest line of Global Wonders products have arrived! Get yours before they're gone! Check out the new catalogues on our website under the quick link 'Global Wonders' and call Naomi or Cheryl Lee at 403-263-5689 today to place your order or to set up your own home, school, office or church party!

The Foundation has new offices in Vancouver!

In addition to its offices in Calgary, AB the Foundation needed to expand its World Services Division headquarters in Vancouver, BC to accommodate the many requests for training and dissemination it receives each year. This space is 1/2 warehouse and 1/2 offices and as of the next shipment of Global Wonders handicrafts coming this summer, it will be the central receiving site where the merchandise will be tagged, inventoried and shipped out to sales destinations! This site is also fully set up to host the many training activities of the Foundation, including video conferencing, giving us the ability to stay in touch with our leaders all over the world with no travel expenses! Please come by for a visit if you're ever in the area! 604-267-3049

The Monthly Donor Program continues to grow!

Our heartfelt thanks continue to go out to those that have chosen this means to support the work of the Foundation.
