

The SA Foundation's long-term objective is that no person be enslaved by, or trapped in the sex trade.

Our highly effective recovery program offers a viable solution to those who are able to escape the sex trade. We plant these programs in partnership with individuals who are committed to providing comprehensive recovery programs to trafficked and sexually exploited women.

## Welcome to the September edition of our newsletter!

We hope that each of you had a wonderful summer and enjoyed some time away. Here at the SA Foundation we have been busy preparing for the fall season, which will include a development trip to Germany, Bulgaria and Greece where teams there are ready to launch an SA program model! We will give you all the updates as these teams progress through our development process.

Inside this issue you will find links to our Annual Report and to the exciting events that are happening this summer and fall - we hope to see you there!

We are so grateful for your continued support as we seek to provide hope and healing to young women that have been sexually exploited and trafficked!

## WOW SUPERHEROES RUN IN CALGARY SEPTEMBER 20th

**Calling all superheroes to join us for a family friendly run/walk on Saturday, September 20th to raise funds for a mom and kids house in Nepal!**

This annual event is a ton of fun and brings together people from all sectors who want to join in providing hope and healing to the young women that come to the SA Foundation's programs. This year's focus is on expanding our Nepal project to include a house designated for moms and their kids as currently this population is not being served in Nepal. We need to raise \$30,000.00 to launch this house and cover its expenses for one year and we're counting on our superheroes to join in the fight!

Come out and have a day of fun or pledge someone you know would love to run/walk for this cause!

The above video shows one cute little superhero challenging others to join in her campaign and from this 2 other kids joined in to raise funds. Pledge these little ones as they want to be "kids helping kids"

## GET INVOLVED TODAY!

There are so many ways to get involved with the SA Foundation! Here are just a few:

1. Take the Communicar Seminar! This educational online course will provide you with a deeper understanding of how young girls become enslaved in the sex trade, and will educate you about the realities of exploitation and recovery.
2. Many have joined the Monthly Donor Program as a way to equip the SA Foundation to consistently provide the care and services needed by participants to exit the sex trade and build a new life for themselves and their children! *It's amazing what \$25/month or more can do!*
3. **PROGRAM FINANCIAL SUPPORT:** Every month we need financial support for our Vancouver Housing Program of \$4,000 and for the Day Program of \$5,000. If there's anything you can contribute, it would be greatly appreciated!
4. Give a tax deductible gift to the general fund. Your support is greatly appreciated! Every dollar translates into lives being saved!
5. Organize a small (or large!) fundraising event! Supporters have put together fun runs, bowlathons, luncheons, dinner events and the list goes on! Become an ACT team leader in your community! Contact Dominique at the coordinates below to get yours started!
